An overview of the proposed Unified Development Code is being presented. The Unified Development Code will restructure Municipal Code Title 16 – Mobile Homes, Title 17 – Subdivisions, and Title 18 – Zoning, into one unified document.

These portions of the City of Woodland Park Municipal Code have not been comprehensively reviewed since the early 1990's. The objective of this project is to restructure Titles 16, 17, and 18 into a single code for easier use. Within the proposed document revisions include language that is clearly defined and uniform, outdated terms have been updated, and application procedures have been clarified.

The public review and comment period on the proposed document begins December 4, 2025, and will run through January 6, 2026.
